Product Manager PM-32

Product Name LpH-AG & LpH-SE

Company Name Vestal Laboratories, Inc.

Submission Purpose Additional data/information to clarify
previous test reports

Type Formulation Liquid concentrate to be used diluted

Active Ingredient(s):

8

o-Phenylphenol.....7.3
p-tert-Amylphenol.....7.4

200.0 Introduction

200.1 Use

The proposed label previously submitted for the subject product is attached.

200.2 Background Information

The submission, received 3-13-86 in is response only to our request for additional clarifying data/information for this formulation, which will be used to manufacturer both LpH-AG (EPA File Symbol 1043-OR) and LpH-SE (EPA File Symbol 1043-OE) products. A revised label for the subject product, which is also required, was not submitted.

This data/information (filed under both Accession Nos. 262007 and 262008) satisfies the request indicated in TSS Efficacy Review of 12-20-85, under 202.2 Additional Data/Information Required, paragraphs (a), (b), and (c). A food additive regulation, which was requested in paragraph (d) of this section, was not included with this submission.
